INTRODUCTION TO THE MAJOR

The Haas School of Business B.S. degree in Business Administration develops leaders with the knowledge and technical skills necessary to understand the modern business world, to achieve the highest levels of success in their professional careers, and to prepare for subsequent graduate work. Coursework is fully integrated with UC Berkeley’s liberal arts curriculum, resulting in graduates who draw upon their knowledge of the arts and sciences as well as business in their endeavors.

Haas Defining Leadership Principles:

• Question the Status Quo
• Confidence Without Attitude
• Students Always
• Beyond Yourself

BUILD YOUR SKILLS

• Learn critical thinking and practice decision making using the appropriate analytic and quantitative tools.
• Apply concepts and theories from functional areas such as marketing and finance.
• Practice communicating effectively in person and in writing.
• Identify and address ethical issues in management decisions.
• Practice finding innovative solutions to strategic and organizational challenges.

AMPLIFY YOUR MAJOR

• Study Abroad is integrated into the major. Check out the different options to see which one is right for you.
• Participate in a case competition to develop and strengthen skills needed throughout your career.
• Look into the Sutardja Center’s Certificate in Entrepreneurship and Technology.
• Explore the Jacobs Institute of Design Innovation’s certification programs.

HOW TO USE THIS MAP

Use this map to help plan and guide your experience at UC Berkeley, including academic, co-curricular, and discovery opportunities. Everyone’s Berkeley experience is different and activities in this map are suggestions. Always consult with your advisors whenever possible for new opportunities and updates.
