CHICANX LATINX STUDIES

Bachelor of Arts

Berkeley
UNIVERSITY OF CALIFORNIA

INTRODUCTION TO THE MAJOR

Chicanx and Latinx Studies is grounded in the decolonization and liberation projects of U.S. Latina/os and their allies in the civil rights, gender, and sexual liberation movements of the 1960s that continue through the present in new forms that address new conditions. We take seriously the knowledges, epistemologies and critical thinking produced by racially and sexually oppressed subjects, and endeavor to examine the entangled intersectionality of racialized sexuality, gender, and class in complex socio-historical processes.

The Chicanx and Latinx Studies major and minor are offered by the Department of **Ethnic Studies**, which also offers a major and minor in Ethnic Studies as well as a minor in **Race and the Law**.

“ *Chicanx Latinx Studies is an attempt at uncovering the silences in history that have continuously left out the contributions and actions of communities of Mexican descent. It is the critical study of Chicano Mexican and Latinx communities across and in spite of borders.* ”

– Pablo Gonzalez, Continuing Lecturer
