INTRODUCTION TO THE MAJOR

The Landscape Architecture major centers upon creative and ecologically tuned design, and introduces students to the breadth of knowledge common to the profession. This program leads to the Bachelor of Arts (B.A.) degree in landscape architecture and provides the necessary education for students interested in entry-level professional practice.

The B.A. degree is certified by the State of California and counts as part of the education/experience requirement of the Uniform National Examination (U.N.E.) as well as for the Landscape Architects Registration Examination (L.A.R.E.) for licensure.

LANDSCAPE ARCHITECTURE
Bachelor of Arts

ADMISSION TO THE MAJOR

Students must declare the major at the time of application to the College of Environmental Design (CED). However, current UC Berkeley students may apply to change into CED. Transfer applicants must complete two years worth of lower division coursework to be considered for admission to CED. CED also offers a minor in History and Theory of Landscape Architecture and Environmental Design. This program is an introduction to conceptual issues of landscape architecture and is open to all majors at UC Berkeley except Landscape Architecture.

AMPLIFY YOUR MAJOR

- Complete a course thread or certificate in Design Innovation or Global Urban Humanities.
- Get involved with the college as a CED Admissions Ambassador, Community Fellow, or member of the Undergraduate Student Council.
- Connect with the CED community through Wursterlife, CED's official alumni and student network platform.

LANDSCAPE ARCHITECTURE combines my interests in design, ecology, habitat preservation, history, and social studies. My degree has prepared me for a variety of career fields.

– Justin Panganiban, Landscape Architecture major, City and Regional Planning minor

**Bachelor of Arts**

## Design Your Journey

### What Can I Do with My Major?
Graduates of the Landscape Architecture program work in a variety of areas, including private landscape architecture firms in the San Francisco Bay Area and across the country. Graduates work in the landscape architecture division of municipal public works departments as well as for environmental agencies and community non-profit groups. Alumni also pursue graduate study in Master of Landscape Architecture (MLA) programs at top universities across the United States as well as programs in Architecture and City & Regional Planning.

### Jobs and Employers
- **Founder and Principal, ATLAS Lab Landscape Architect**, Caltrans
- **Landscape Designer, Carducci & Assoc.**
- **Planning Intern, City of Berkeley**
- **Landscape Architect, Caltrans**
- **Founder and Principal, ATLAS Lab**

### Graduate Programs
- **Landscape Architecture, Masters Architecture, Masters City and Regional Planning, Masters**

### Examples gathered from LinkedIn and the First Destination Survey of recent Berkeley graduates.

---

## First Year

1. **Explore your major**
   - Stop by 250 Wurster Hall to meet with your CED advisor.
   - Review the Landscape Architecture Major Handbook for degree requirements, sample study plans, and student resources.
   - Enroll in ENV DES 1: Intro to Environmental Design.

2. **Connect and build community**
   - Register for WursterLife, CED’s official alumni and student networking platform.
   - Meet other CED students at a CED social hour.
   - Find study groups, tutoring, and academic support at the Student Learning Center.
   - Join a CED student organization such as the American Society of Landscape Architects.

3. **Discover your passions**
   - Subscribe to the CED advising blog for enrichment opportunities and announcements.
   - Discover new interests in a Freshman Seminar or student-run DeCal course.
   - Explore Berkeley Arts + Design with HUM 20.
   - Visit the Office of Undergraduate Research and Scholarships.

4. **Engage locally and globally**
   - Attend the Calpalooza student activities fair and get involved with a student organization.
   - Find service opportunities through the Public Service Center.
   - Explore study abroad options with Berkeley Study Abroad.

5. **Reflect and plan your future**
   - Visit the Career Center and Career Counseling Library.
   - Check out the Career Center Yearly Planner.
   - Sign up for Handshake and CareerMail.
   - Explore career resources on the CED website and attend the CED Career Fair.

## Second Year

1. **Explore your major**
   - Complete lower division major requirements and the college’s breadth requirements.
   - Take CED’s “Big Ideas” courses: ENV DES 4A: Design and Activism, 4B: Global Cities, or 4C: Future Ecologies. You must complete two of these courses by the end of your second year.

2. **Connect and build community**
   - Apply to be the CED Community Fellow or part of the CED Undergraduate Student Council.
   - Start attending college events like the CED Lecture Series and CED Circus.
   - Get to know professors and graduate student instructors during their office hours.
   - Explore campus life beyond Wurster Hall.

3. **Discover your passions**
   - Enroll in a Sophomore Seminar. Big Ideas Course, or Discovery Course.
   - Browse faculty projects and research taking place in CED.
   - Assist faculty and graduate students in their research through URAP and SURF-SMART.

4. **Engage locally and globally**
   - Help prospective and incoming students as a CED Admissions Ambassador.
   - Contribute to a community organization with an American Cultures Engaged Scholarship course.
   - Check out local design events such as San Francisco Design Week.

5. **Reflect and plan your future**
   - Meet with CED Career Counselor in Wurster Hall to discuss career options and goals.
   - Explore career fields through the Career Connections Series or a winter externship.
   - Learn about graduate and professional school. See Step-by-Step for planning help.
   - Plan internships and attend internship fairs.

## Third Year

1. **Explore your major**
   - Continue following the graduation plan in your major handbook.
   - Check your degree progress in your Academic Progress Report (APR) in CalCentral.
   - Consider doing a course thread or certificate in Design Innovation or Global Urban Humanities.

2. **Connect and build community**
   - Represent CED on the Student Advisory Council on Undergraduate Education or another campus committee.
   - Consider becoming a Golden Bear Orientation Leader and welcome new students to UC Berkeley.
   - If you haven’t already, register for WursterLife.

3. **Discover your passions**
   - Check out CED research opportunities.
   - Find research and funding opportunities in the OURS database.
   - Apply for CED prizes and awards to fund your studies and projects.

4. **Engage locally and globally**
   - Consider a Berkeley Global Internship in the United States or abroad.
   - Apply your design skills in projects for Design for America, Solar Spring Break, or the Fung Fellowship.
   - Experience life at another UC or college on a visitor and exchange program.

5. **Reflect and plan your future**
   - Conduct informational interviews. Use WursterLife to network with CED alumni.
   - Discuss graduate school options with advisors and professors.
   - Update your resume, portfolio, and LinkedIn profile.
   - Attend career and graduate school fairs.

## Fourth Year

1. **Explore your major**
   - Do a degree check to ensure you are on track to graduate.
   - Complete any “bucket list” courses.
   - Finish remaining major, college, and campus requirements.
   - Complement your major with a summer minor or CED minor.

2. **Connect and build community**
   - Join a professional organization related to your interests, such as the American Society of Landscape Architects.
   - Connect with alumni groups and build your network as you prepare to graduate.

3. **Discover your passions**
   - Teach your own DeCal course.
   - Undertake an optional honors thesis or independent study.

4. **Engage locally and globally**
   - Hone your leadership skills with the Peter E. Haas Public Service Leaders program.
   - Explore service opportunities after graduation, such as Peace Corps, Teach for America, or U.S. Department of State.

5. **Reflect and plan your future**
   - Utilize job search tools from the Career Center.
   - Ask professors and graduate student instructors for recommendation letters.
   - Meet employers at Employer Info Sessions and On-Campus Recruiting.
   - Apply to jobs, graduate school, and other opportunities.
