**INTRODUCTION TO THE MAJOR**

The Robinson Life Science, Business, and Entrepreneurship (LSBE) Program is a jointly-administered program through the Haas School of Business and the College of Letters & Science. Students earn a BS in Business Administration and a BA in Molecular and Cell Biology, and take courses that prepare students for success in industries like biotech, pharma, healthcare, and beyond.

In addition to specialized coursework taught by award-winning faculty, the program offers networking opportunities, career coaching, and mentoring opportunities within a peer-to-peer cohort of students whose interest in the life sciences is fueled by their curiosity and passion to change people’s lives for the better.

**AMPLIFY YOUR MAJOR**

- Enrich your business and biology studies with specialized research and internship experiences.
- Join student organizations at the intersection of healthcare and business.
- Participate in a case competition to develop and strengthen skills needed throughout your career.
- Look into the Sutardja Center’s Certificate in Entrepreneurship and Technology.

---

**ADMISSION TO THE PROGRAM**

Admission to LSBE is open to students who enter UC Berkeley as freshmen. Students apply during sophomore year, and must complete all prerequisite requirements for the Business and Molecular and Cell Biology majors. We seek applicants who are:

- Passionate about the intersection of science and innovation
- Self-motivated leaders interested in problem solving
- Interested in shaping the future of biotech, pharma, and healthcare
- Entrepreneurs at heart

---

“This program is a great bridge between the technical learning that makes biology interesting and the business development that brings the innovation to life.”

– Saloni Patel, LSBE Student

---

**CONNECT WITH US**

**Cal Day**
Come to UC Berkeley’s annual Open House in April for information sessions, campus tours, special talks, and more.

**Golden Bear Orientation**
Join your peers in the campus-wide UC Berkeley orientation program for all new students.

**Events**
Attend LSBE, Haas, and MCB events with students, staff, and faculty. Visit lsbe.berkeley.edu for news and updates.

**ADVISING**

The Robinson Life Science, Business, and Entrepreneurship Program office is located in 3060 Valley Life Sciences Building. Visit calendly.com/lsbeadvising or email lsbe@berkeley.edu to schedule an appointment.

**Advising Hours:**
Monday - Thursday 9am-12pm, 1-4pm
Friday 9am-12pm, 1-3 pm

**HOW TO USE THIS MAP**

Use this map to help plan and guide your experience at UC Berkeley, including academic, co-curricular, and discovery opportunities. Everyone’s Berkeley experience is different and activities in this map are suggestions. Always consult with your advisors whenever possible for new opportunities and updates.

Visit ue.berkeley.edu/majormaps for the latest version of this major map.
**LIFE SCIENCE, BUSINESS, AND ENTREPRENEURSHIP**

*Bachelor of Arts + Bachelor of Science*

---

### FIRST YEAR

**Explore your major**
- Review major and college requirements
- View sample schedules and meet with the program advisor to discuss your academic plans.
- Read the LSBE newsletter and attend exploratory events.
- Take *Intro to Biotech* in the spring, a course for students exploring LSBE.

**Connect and build community**
- Get to know your major and college requirements.
- Attend the Undergraduate Research and Scholarships Fair in October.
- Explore new interests in a Freshman Seminar, L&S 1 DeCal course.
- Attend the Undergraduate Research and Scholarships Fair in October.
- Enroll in a Sophomore Seminar, Big Ideas Course or Discovery Course.
- Attend the Undergraduate Research and Scholarships Fair in October.
- Learn how to get involved in research on campus with Undergraduate Laboratory at Berkeley.

**Discover your passions**
- Find volunteering opportunities in the Berkeley community such as Berkeley Free Clinic or Sutcliffe Clinic.
- Find service opportunities through the Public Service Center.
- Explore summer study, internship, and research abroad opportunities with Berkeley Study Abroad.
- Satisfy your American Cultures requirement with an ACES course-based project.
- Engage in STEM education and mentorship of local youth with Bridging Berkeley, Expand Your Horizons, or SENDforC.
- Join a consulting club or the Bio-Business Initiative.
- Learn about public service opportunities through the Berkeley Public Service Center.
- Apply to the Berkeley Skydeck.
- Attend the Undergraduate Research and Scholarships Fair in October.

**Engage locally and globally**
- Check out the Career Center Yearly Planner and visit the Career Center.
- Sign up for Handshake and CareerMail.
- Explore career fields through the Career Connections Series or a winter workship.
- Participate in a Sophomore Seminar, Big Ideas Course or Discovery Course.
- Attend the Undergraduate Research and Scholarships Fair in October.
- Learn about research opportunities aligned with your professional interests.
- Find research and funding opportunities in the OURS database.

**Reflect and plan your future**
- Reflect on your degree progress with the program advisor.
- Apply to the program in November, utilizing the Haas’ essay writing workshop.
- Attend the Undergraduate Research and Scholarships Fair in October.
- Explore and gain an emphasis in MCB.
- Complete lower division prerequisites for Haas and MCB by the end of sophomore year.

---

### SECOND YEAR

**Explore**
- Review your degree progress with the program advisor.
- Apply to the program in November, utilizing the Haas’ essay writing workshop.
- Explore and gain an emphasis in MCB.
- Complete lower division prerequisites for Haas and MCB by the end of sophomore year.

**Connect**
- Get to know the people in your LSBE cohort.
- Join the Haas Business School Association.
- Attend LSBE professional development workshops.
- Visit the Haas Skydeck.
- Attend the Undergraduate Research and Scholarships Fair in October.
- Learn about research opportunities aligned with your professional interests.
- Find research and funding opportunities in the OURS database.

**Discover**
- Enroll in a Sophomore Seminar, Big Ideas Course or Discovery Course.
- Attend the Undergraduate Research and Scholarships Fair in October.
- Learn about research opportunities aligned with your professional interests.
- Find research and funding opportunities in the OURS database.

**Engage**
- Build a start-up with Berkeley Skydeck.
- Attend the Undergraduate Research and Scholarships Fair in October.
- Attend the Undergraduate Research and Scholarships Fair in October.
- Learn about research opportunities aligned with your professional interests.
- Find research and funding opportunities in the OURS database.

**Reflect**
- Reflect on your degree progress with the program advisor.
- Apply to the program in November, utilizing the Haas’ essay writing workshop.
- Explore and gain an emphasis in MCB.
- Complete lower division prerequisites for Haas and MCB by the end of sophomore year.

---

### THIRD YEAR

**Explore**
- Focus on UGSA and MCB upper division requirements.
- Continue checking in with the program advisor.
- Attend LSBE professional development workshops.
- Participate in Haas Experiential Learning Program Workshops facilitated by industry professionals.
- Connect with alumni groups and build your network.

**Connect**
- Get to know the people in your LSBE cohort.
- Join the Haas Business School Association.
- Attend LSBE professional development workshops.
- Visit the Haas Skydeck.
- Attend the Undergraduate Research and Scholarships Fair in October.
- Learn about research opportunities aligned with your professional interests.
- Find research and funding opportunities in the OURS database.

**Discover**
- Enroll in a Sophomore Seminar, Big Ideas Course or Discovery Course.
- Attend the Undergraduate Research and Scholarships Fair in October.
- Learn about research opportunities aligned with your professional interests.
- Find research and funding opportunities in the OURS database.

**Engage**
- Build a start-up with Berkeley Skydeck.
- Attend the Undergraduate Research and Scholarships Fair in October.
- Attend the Undergraduate Research and Scholarships Fair in October.
- Learn about research opportunities aligned with your professional interests.
- Find research and funding opportunities in the OURS database.

**Reflect**
- Reflect on your degree progress with the program advisor.
- Apply to the program in November, utilizing the Haas’ essay writing workshop.
- Explore and gain an emphasis in MCB.
- Complete lower division prerequisites for Haas and MCB by the end of sophomore year.

---

### FOURTH YEAR

**Explore**
- Do a degree check with L&S and Haas to ensure you are on track to graduate.
- Finish remaining upper division requirements and electives.
- Attend LSBE professional development and industry-readiness workshops.

**Connect**
- Get to know the people in your LSBE cohort.
- Join the Haas Business School Association.
- Attend LSBE professional development workshops.
- Visit the Haas Skydeck.
- Attend the Undergraduate Research and Scholarships Fair in October.
- Learn about research opportunities aligned with your professional interests.
- Find research and funding opportunities in the OURS database.

**Discover**
- Enroll in a Sophomore Seminar, Big Ideas Course or Discovery Course.
- Attend the Undergraduate Research and Scholarships Fair in October.
- Learn about research opportunities aligned with your professional interests.
- Find research and funding opportunities in the OURS database.

**Engage**
- Build a start-up with Berkeley Skydeck.
- Attend the Undergraduate Research and Scholarships Fair in October.
- Attend the Undergraduate Research and Scholarships Fair in October.
- Learn about research opportunities aligned with your professional interests.
- Find research and funding opportunities in the OURS database.

**Reflect**
- Reflect on your degree progress with the program advisor.
- Apply to the program in November, utilizing the Haas’ essay writing workshop.
- Explore and gain an emphasis in MCB.
- Complete lower division prerequisites for Haas and MCB by the end of sophomore year.

---

**WHAT CAN I DO WITH MY MAJOR?**

Students who complete the Robinson Life Science, Business, and Entrepreneurship Program will be uniquely positioned for careers in a variety of innovative industries and research institutions, and will be competitive applicants to graduate programs including pre-health, biosciences, MBA and beyond.

**Jobs and Employers**
- Genentech, Research Associate
- Gilead, Financial Analyst
- JP Morgan, Capital Finance Analyst
- Pfizer Pharmaceuticals, Business Analyst
- PwC, Consultant
- Stryker, Data Analyst
- UCSF, Clinical Research Coordinator
- Ultragenyx, Product Marketer

**Graduate Programs**
- Biological Sciences (MS, PhD)
- Bioengineering (MS, PhD)
- Biochemistry (MS, PhD)
- Business Administration (MBA)
- Medicine (MD)
- Law (JD)
- Neuroscience (MS, PhD)
- Public Health (MPH)
