ADMISSION TO THE PROGRAM

The M.E.T. program seeks inquisitive, self-motivated students with a passion for finding and solving big problems. It is highly competitive and freshman admission is open during the UC application period (November 1-30).

Current Berkeley Engineering students majoring in BioE, CE, EECS, IEOR, MSE, or ME are eligible to apply to the M.E.T. program during the fall of their sophomore year. If admitted, students will join M.E.T. during their junior year. Students enrolled in any other college at UC Berkeley, or admitted as junior transfers to UC Berkeley, are not eligible to apply to the M.E.T. Program.
