## CONNECT WITH US

### Cal Day

Come to UC Berkeley's annual **Open House** in April for information sessions, campus tours, special talks, and more.

### Golden Bear Orientation

Join your peers in the campus-wide UC Berkeley **orientation** program for all new students.

### Events

M.E.T. hosts a wide array of events throughout the year. Current students can mingle with industry leaders and alumni across different sectors and learn about exciting career opportunities.

## ADVISING

The **M.E.T. program team** works to support students' academic and professional development. Our team bridges the resources offered by Berkeley-Haas and Berkeley Engineering to provide a seamless undergraduate experience for M.E.T. students.

Current students can make an appointment to meet with the M.E.T. team at [ucberkeleymet.youcanbook.me](https://ucberkeleymet.youcanbook.me).

## HOW TO USE THIS MAP

Use this map to help plan and guide your experience at UC Berkeley, including academic, co-curricular, and discovery opportunities. Everyone's Berkeley experience is different and activities in this map are suggestions. Always consult with your advisors whenever possible for new opportunities and updates.

## INTRODUCTION TO THE PROGRAM

The **Management, Entrepreneurship, & Technology (M.E.T.)** program is a fully integrated, dual-degree undergraduate program that accelerates your education through the College of Engineering and the Haas School of Business. M.E.T. gives you world-class instruction, top-notch industry experience and career coaching, and a collaborative small cohort immersion. In four years, you earn a full Bachelor of Science degree in Business from Berkeley-Haas and your choice of a Bachelor of Science degree in one of six engineering programs from Berkeley Engineering.

**“I wanted to learn technical skills but also be equipped with the business savvy to market those products. I felt that the M.E.T. program was created just for me.”**

– Arvind Sridhar, B.S. EECS & B.S. BUS '21

## ADMISSION TO THE PROGRAM

The M.E.T. program seeks inquisitive, self-motivated students with a passion for finding and solving big problems. It is highly competitive and freshman admission is open during the UC application period (November 1-30).

Current Berkeley Engineering students majoring in BioE, CE, EECS, IEOR, MSE, or ME are eligible to apply to the M.E.T. program during the fall of their sophomore year. If admitted, students will join M.E.T. during their junior year. Students enrolled in any other college at UC Berkeley, or admitted as junior transfers to UC Berkeley, are not eligible to apply to the M.E.T. Program.

## AMPLIFY YOUR MAJOR

- Intern with an early-stage startup through the **M.E.T. Entrepreneurial Fellows Program**.
- Gain industry experience by working on strategic consulting projects with the student-led **M.E.T. Strategy Group**.
- Meet industry recruiters through monthly **M.E.T. Company Meet & Greets**.
- Receive mentorship from Advisory Board members, industry leaders, M.E.T. alumni and current students.
