INTRODUCTION TO THE PROGRAM

The Management, Entrepreneurship, & Technology (M.E.T.) program is a fully integrated, dual-degree undergraduate program that accelerates your education through the College of Engineering and the Haas School of Business. M.E.T. gives you world-class instruction, top-notch industry experience and career coaching, and a collaborative small cohort immersion. In four years, you earn a full Bachelor of Science degree in Business from Berkeley-Haas and your choice of a Bachelor of Science degree in one of six engineering programs from Berkeley Engineering.

AMPLIFY YOUR MAJOR

• Intern with an early-stage startup through the M.E.T. Entrepreneurial Fellows Program.
• Gain industry experience by working on strategic consulting projects with the student-led M.E.T. Strategy Group.
• Meet industry recruiters through monthly M.E.T. Company Meet & Greets.
• Receive mentorship from Advisory Board members, industry leaders, M.E.T. alumni and current students.

ADMISSION TO THE PROGRAM

The M.E.T. program seeks inquisitive, self-motivated students with a passion for finding and solving big problems. It is highly competitive and freshman admission is open during the UC application period (November 1-30).

Current Berkeley Engineering students majoring in BioE, CE, EECS, IOR, MSE, or ME are eligible to apply to the M.E.T. program during the fall of their sophomore year. If admitted, students will join M.E.T. during their junior year. Students enrolled in any other college at UC Berkeley, or admitted as junior transfers to UC Berkeley, are not eligible to apply to the M.E.T. Program.

“ I wanted to learn technical skills but also be equipped with the business savvy to market those products. I felt that the M.E.T. program was created just for me.”

– Arvind Sridhar, B.S. EECS & B.S. BUS ’21

ADVISING

The M.E.T. program team works to support students' academic and professional development. Our team bridges the resources offered by Berkeley-Haas and Berkeley Engineering to provide a seamless undergraduate experience for M.E.T. students.

Current students can make an appointment to meet with the M.E.T. team at ucberkeleymet.youcanbook.me.

HOW TO USE THIS MAP

Use this map to help plan and guide your experience at UC Berkeley, including academic, co-curricular, and discovery opportunities. Everyone’s Berkeley experience is different and activities in this map are suggestions. Always consult with your advisors whenever possible for new opportunities and updates.

Visit ue.berkeley.edu/majormaps for the latest version of this major map.
MANAGEMENT, ENTREPRENEURSHIP, & TECHNOLOGY PROGRAM

Bachelor of Science

DESIGN YOUR JOURNEY

FIRST YEAR

- Meet with your M.E.T. academic advisor to discuss your four-year plan.
- Familiarize yourself with the requirements for your academic track. See the Academic Guide for sample study plans.
- Ask a M.E.T. student about life in the program.

SECOND YEAR

- Meet with your M.E.T. academic advisor to review your academic progress.
- Complete lower division prerequisites and start planning your upper division courses.
- Talk to an advisor if interested in a minor or study abroad.

THIRD YEAR

- Focus on upper division requirements and electives for your M.E.T. track.
- Reconnect with your M.E.T. cohort in the third-year M.E.T. Capstone Course.
- Get academic support from Berkeley-Haas or the Center for Access to Engineering Excellence.

FOURTH YEAR

- Meet with your M.E.T. academic advisor to do an official degree check and plan for your final year.
- Complete any “bucket list” courses and remaining major, college, and campus requirements.

WHAT CAN I DO WITH MY MAJOR?

M.E.T. students get hands-on practice turning great ideas into real-world solutions and become the kind of entrepreneurial leader the world needs. Students graduate with a comprehensive understanding of technology innovation, and are ready to start their own company, lead innovation inside an established firm, or contribute to a social-impact venture.

Jobs and Employers

and Lieutenant (Engineer), U.S. Army Analyst, Jane Street Applied Scientist, Twitch Associate Product Manager, Lyft Associate Product Manager, Roblox Consultant, McKinsey & Co. Investment Banker, J.P. Morgan Product Manager, Aliera Product Manager, Salesforce Product Manager, Visa Product Marketing Manager, TiltTok Quant Trader, Citadel Securities Software Engineer, Amazon Software Engineer, DoorDash Software Engineer, Facebook Software Engineer, Microsoft Structure Engineer, SpaceX Startup Founder Researcher, SIERU UI/UX Designer, Bank of America
