**INTRODUCTION TO THE PROGRAM**

The Management, Entrepreneurship, & Technology (M.E.T.) program is a fully integrated, dual-degree undergraduate program that accelerates your education through the College of Engineering and the Haas School of Business. M.E.T. gives you world-class instruction, top-notch industry experience and career coaching, and a collaborative small cohort immersion. In four years, you earn a full Bachelor of Science degree in Business from Berkeley-Haas and your choice of a Bachelor of Science degree in one of six engineering programs from Berkeley Engineering.

**AMPLIFY YOUR MAJOR**

- Intern with an early-stage startup through the M.E.T. Entrepreneurial Fellows Program.
- Gain industry experience by working on strategic consulting projects with the student-led M.E.T. Strategy Group.
- Meet industry recruiters through monthly M.E.T. Company Meet & Greets.
- Receive mentorship from Advisory Board members, industry leaders, M.E.T. alumni and current students.

**ADMISSION TO THE PROGRAM**

The M.E.T. program seeks inquisitive, self-motivated students with a passion for finding and solving big problems. It is highly competitive and freshman admission is open during the UC application period (November 1-30).

Current Berkeley Engineering students majoring in BioE, CE, EECS, IEOR, MSE, or ME are eligible to apply to the M.E.T. program during the fall of their sophomore year. If admitted, students will join M.E.T. during their junior year. Students enrolled in any other college at UC Berkeley, or admitted as junior transfers to UC Berkeley, are not eligible to apply to the M.E.T. Program.

“I wanted to learn technical skills but also be equipped with the business savvy to market those products. I felt that the M.E.T. program was created just for me.”

— Arvind Sridhar, B.S. EECS & B.S. BUS ’21

**HOW TO USE THIS MAP**

Use this map to help plan and guide your experience at UC Berkeley, including academic, co-curricular, and discovery opportunities. Everyone's Berkeley experience is different and activities in this map are suggestions. Always consult with your advisors whenever possible for new opportunities and updates.

Visit [ue.berkeley.edu/majormaps](http://ue.berkeley.edu/majormaps) for the latest version of this major map.
**MANAGEMENT, ENTREPRENEURSHIP, & TECHNOLOGY PROGRAM**

**Bachelor of Science**

### FIRST YEAR

**Explore your major**
- Meet with your M.E.T. academic advisor to discuss your four-year plan.
- Familiarize yourself with the requirements for your academic track. See the Academic Guide for sample study plans.
- Ask a M.E.T. student about life in the program.

**Connect and build community**
- Study in the M.E.T. Collaboration Space.
- Sign-up for office hours with Advisory Board members, industry fellows, and current students to learn more about their background.
- Discover student organizations at the Calapalooza fair in August.

**Discover your passions**
- Get to know professors and graduate student instructors during their office hours.
- Attend Lunch & Learns led by faculty from Berkeley-Haas and Berkeley Engineering.

**Engage locally and globally**
- Meet with your M.E.T. advisor to learn how studying abroad fits with your schedule.
- Explore Engineering student organizations and HBSA-sponsored clubs.
- Find service opportunities through the Public Service Center.

**Reflect and plan your future**
- Make an appointment with the M.E.T. team to receive 1:1 advice on your professional journey.
- Attend peer-led huddles about interviewing best practices and resume tips.
- Explore career resources on the Engineering, Haas, and Career Center websites.

### SECOND YEAR

**Explore your major**
- Meet with your M.E.T. academic advisor to review your academic progress.
- Complete lower division prerequisites and start planning your upper division courses.
- Talk to an advisor if interested in a minor or study abroad.

**Connect and build community**
- Study in the M.E.T. Collaboration Space.
- Sign-up for office hours with Advisory Board members, industry fellows, and current students to learn more about their background.
- Discover student organizations at the Calapalooza fair in August.

**Discover your passions**
- Get to know professors and graduate student instructors during their office hours.
- Attend Lunch & Learns led by faculty from Berkeley-Haas and Berkeley Engineering.

**Engage locally and globally**
- Meet with your M.E.T. advisor to learn how studying abroad fits with your schedule.
- Explore Engineering student organizations and HBSA-sponsored clubs.
- Find service opportunities through the Public Service Center.

**Reflect and plan your future**
- Make an appointment with the M.E.T. team to receive 1:1 advice on your professional journey.
- Attend peer-led huddles about interviewing best practices and resume tips.
- Explore career resources on the Engineering, Haas, and Career Center websites.

### THIRD YEAR

**Explore your major**
- Focus on upper division requirements and electives for your M.E.T. track.
- Reconnect with your M.E.T. cohort in the third-year M.E.T. Capstone course.
- Get academic support from Berkeley-Haas or the Center for Access to Engineering Excellence.

**Connect and build community**
- Study in the M.E.T. Collaboration Space.
- Sign-up for office hours with Advisory Board members, industry fellows, and current students to learn more about their background.
- Discover student organizations at the Calapalooza fair in August.

**Discover your passions**
- Get to know professors and graduate student instructors during their office hours.
- Attend Lunch & Learns led by faculty from Berkeley-Haas and Berkeley Engineering.

**Engage locally and globally**
- Meet with your M.E.T. advisor to learn how studying abroad fits with your schedule.
- Explore Engineering student organizations and HBSA-sponsored clubs.
- Find service opportunities through the Public Service Center.

**Reflect and plan your future**
- Make an appointment with the M.E.T. team to discuss your career options and goals.
- Explore careers through GLOBE Ambassadors and informational interviews.
- Pursue an internship and attend M.E.T. Company Meet & Greets.

### FOURTH YEAR

**Explore your major**
- Meet with your M.E.T. academic advisor to do an official degree check and plan for your final year.
- Complete any “bucket list” courses and remaining major, college, and campus requirements.

**Connect and build community**
- Study in the M.E.T. Collaboration Space.
- Sign-up for office hours with Advisory Board members, industry fellows, and current students to learn more about their background.
- Discover student organizations at the Calapalooza fair in August.

**Discover your passions**
- Get to know professors and graduate student instructors during their office hours.
- Attend Lunch & Learns led by faculty from Berkeley-Haas and Berkeley Engineering.

**Engage locally and globally**
- Meet with your M.E.T. advisor to learn how studying abroad fits with your schedule.
- Explore Engineering student organizations and HBSA-sponsored clubs.
- Find service opportunities through the Public Service Center.

**Reflect and plan your future**
- Make an appointment with the M.E.T. team to receive 1:1 advice on your professional journey.
- Attend peer-led huddles about interviewing best practices and resume tips.
- Explore career resources on the Engineering, Haas, and Career Center websites.

**WHAT CAN I DO WITH MY MAJOR?**

M.E.T. students get hands-on practice turning great ideas into real-world solutions and become the kind of entrepreneurial leader the world needs. Students graduate with a comprehensive understanding of technology innovation, and are ready to start their own company, lead innovation inside an established firm, or contribute to a social-impact venture.

**Jobs and Employers**
- 2nd Lieutenant (Engineer), U.S. Army Analyst, Jane Street
- Applied Scientist, Twitch
- Associate Product Manager, Lyft
- Associate Product Manager, Roblox
- Investment Banker, J.P. Morgan
- Product Manager, Ansera
- Product Manager, Salesforce
- Product Manager, Visa
- Product Marketing Manager, TiltTok
- Quant Trader, Citadel Securities
- Software Engineer, Amazon
- Software Engineer, Amazon Software Engineer, Microsoft
- Software Engineer, Microsoft Software Engineer, Microsoft
- Software Engineer, Microsoft
- Structure Engineer, SpaceX
- Startup Founder
- Researcher, SIEF
- UI/UX Designer, Bank of America

**Graduate Programs**
- Joint MSc/MBA - Stanford
- 5th Year Masters in CS - UC Berkeley
- Schwarzman Scholarship
- Graduate Programs
- Jobs and Employers
- WHAT CAN I DO WITH MY MAJOR?
- Jobs and Employers
- Graduate Programs
- Examples gathered from the First Destination Survey of recent Berkeley graduates.
