Bachelor of Arts

Berkeley
UNIVERSITY OF CALIFORNIA

INTRODUCTION TO THE MAJOR

The Department of Music grants a B.A. degree in **Music** and also a minor in music. The department is dedicated to a holistic liberal education in the arts and humanities and thus involves students in all aspects of the study of music: theoretical and creative studies, historical and cultural studies, music and technology, and performance.

The Music major may serve as pre-professional training for the student seeking a career in music or provide a lasting source of enrichment for the student with other career goals.

“ My time in the department opened my mind to completely new ways of thinking about music as an art form, from study to performance. ”

– Vicky Lin, Music alumna
